Service Level Standard – Maphumulo Local Municipality

Maphumulo Municipality service level standards have been put in place with a view to ensuring the public expectation of service delivery are matched by achievable and measurable performance standards

This document further intends highlighting:

- How information about services effectiveness is reported and addressed
- How to prevent poor community relationship
- How effectiveness is tracked
- How to keep consumer relationship healthy as result of voluntary compliance to published service level standards whilst simultaneously ensuring that the right of the customers are upheld
- How the community can help us deliver an effective service and make suggestions for further improvement
- The channel that you, the community, have at your disposal in case you want to communicate dissatisfaction with or praise for our service delivery standards.
